Subject: Comments on revised Response Action Work Plan - Exide landfill
Date: Wednesday, February 13, 2013 1:00:51 PM

I think most of you know that Exide posted a revised RAWP on their website (link below). TCEQ is asking if we will have any comments on the revised plan. I don't actually need your comments this week, but I do need to let TCEQ know if we are planning to send additional comments. Would you please let me know by noon tomorrow if you think you will have additional comments. Thanks.
